Index to Volume 20: Subject

Aborigines
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281

Accidental injuries
Assessing risk of falling in older adults (Huang et al), 399

Acquired immunodeficiency syndrome
Aspects of the care of people with HIV/AIDS in South Africa (Uys), 271
HIV prevention outreach in Black communities of three rural north Florida counties (Brown and Brown), 204
Knowledge and attitudes of high school students about AIDS: a Turkish perspective (Savaser), 71

Adaptation, psychological
Stress and coping in high-risk mothers: difficult life circumstances, psychiatric-mental health symptoms, education, and experiences in their families of origin (LeCuyer-Maus), 132

Adolescence
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281
Adolescent Health Promotion scale: development and psychometric testing (Chen et al), 104
Arab American adolescent perception and experiences with smoking *(Kulwicki and Rice), 177*
A comparison pilot study of public health field nursing home visitation program interventions for pregnant Hispanic adolescents (Nguyen et al), 412
Displacing the "rule book" in caring for teen mothers (SmithBattle), 369
Factors associated with adolescent pregnancy—a sample of Taiwanese female adolescents (Wang et al), 33
Knowledge and attitudes of high school students about AIDS: a Turkish perspective (Savaser), 71
Planning of youth violence-prevention programs: development of a guiding measure (Cooper et al), 432

Adult day care
Adult day care: northern perspectives (Ritchie), 120

Africa
Aspects of the care of people with HIV/AIDS in South Africa (Uys), 271

African Americans
The African American experience in *the Islamic faith (Ohm), 478*
HIV prevention outreach in Black communities of three rural north *Florida counties (Brown and* Brown), 204
Maternal and infant outcomes at one *year for a nurse-health advocate* home visiting program serving African Americans and Mexican *Americans (Norr et al), 190*

Aged
Adult day care: northern perspectives (Ritchie), 120
Assessing risk of falling in older adults *(Huang et al), 399*
Community-based senior health promotion program using a collaborative practice model: the Escalante Health Partnerships *(Nuñez et al), 25*
Cultural and noncultural predictors of health outcomes in Korean *daughter and daughter-in-law* caregivers (Kim and Lee), 111
The effect of reminiscence on the elderly population: a systematic review (Lin et al), 297
*The effectiveness of the around-the-*clock in-home care system: did it prevent the institutionalization of *frail elderly? (Murashima and* Asahara), 13
Health promotion practices of older adults: model testing (Resnick), 2
Keys to the puzzle: recognizing strengths in a rural community (Averill), 449
Older women and exercise: theory of *planned behavior beliefs (Conn* et al), 153
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237
Validity and community-health-nursing sensitivity of six outcomes for community health nursing with older clients (Head et al), 385

Alzheimer's disease
Family caregivers' experiences with community services: a qualitative analysis (Winslow), 341

Arab Americans
Arab American adolescent perception and experiences with smoking (Kulwicki and Rice), 177

Around-the-clock home care
*The effectiveness of the around-the-*clock in-home care system: did it prevent the institutionalization of *frail elderly? (Murashima and* Asahara), 13

Behavior
Application of the Transtheoretical Model of behavior change to the *physical activity behavior of WIC* mothers (Fahrenwald and *Walker), 307*

Bioterrorism
The role of an advanced practice public *health nurse in bioterrorism* preparedness (Mondy et al), 422

Birth certificates
*Birth certificate methods in five hospi*tals (Northam et al), 318

Blacks; see African Americans

Canada
Adult day care: northern perspectives (Ritchie), 120

Child
Diet and exercise in low-income culturally diverse middle school students *(Frenn and Malin), 361*
Finnish families' need for special support as evaluated by public health nurses working in maternity and child welfare clinics (Häggman-Laitila and Euramaa), 328
Planning of youth violence-prevention programs: development of a guiding measure (Cooper et al), 432

Child abuse
Definition and identification of child abuse by Finnish public health nurses (Paavilainen and Tarkka), 49
The experience of being a client in an Alaska public health nursing home visitation program (DeMay), 228

Chronic disease
Busy/dying (Hays), 165 (Editorial)
Chronic illness: "chronic" boredom (Abrams), 250 (Editorial)

Community coalitions
Comprehensive evaluation of a community coalition: a case study of environmental tobacco smoke reduction (Cramer et al), 464
Community health nursing; see Public health nursing
Community health workers
State of evaluation: community health workers (Nemcek and Sabatier), 260
Community involvement
Involving communities in community assessment (Clark et al), 456
Contraception
Factors associated with adolescent pregnancy—a sample of Taiwanese female adolescents (Wang et al), 33
Coping; see Adaptation, psychological
Costs
Client characteristics and the cost of home care in the prospective payment system (Livesay et al), 287
Credentialing
Public health nursing credentialing and the "pseudo-shortage" (Cary), 83 (Editorial)

Data collection
Birth certificate methods in five hospitals (Northam et al), 318
Decision making
Women's efficiency in decision making and their perception of their status in the family (Erci), 65
Depression
Cultural and noncultural predictors of health outcomes in Korean daughter and daughter-in-law caregivers (Kim and Lee), 111
Diet
Diet and exercise in low-income culturally diverse middle school students (Frenn and Malin), 361
Disaster response
The role of an advanced practice public health nurse in bioterrorism preparedness (Mondy et al), 422
Domestic violence
Do we really help? Perspectives of abused women (Lutenbacher et al), 56
Domestic work
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237
The roles of contemporary Mexican American women in domestic health work (Mendelson), 95
Dying
Busy/dying (Hays), 165 (Editorial)

Editorials
Busy/dying (Hays), 165
Chronic illness: "chronic" boredom (Abrams), 250
Facing uncertainties (Graham), 1
Public health nursing credentialing and the "pseudo-shortage" (Cary), 83
Twenty years of Public Health Nursing: Part 1. looking back (Shamansky and Graham), 339
Twenty years of Public Health Nursing: Part 2. looking ahead (Shamansky and Graham), 419
Editors
New editors of Public Health Nursing announced for 2004 (Shamansky and Graham), 249
Elderly; see Aged
Environmental smoke
Comprehensive evaluation of a community coalition: a case study of environmental tobacco smoke reduction (Cramer et al), 464
Ethnic factors
State of evaluation: community health workers (Nemcek and Sabatier), 260
Exercise
Diet and exercise in low-income culturally diverse middle school students (Frenn and Malin), 361
Older women and exercise: theory of planned behavior beliefs (Conn et al), 153
Southern women's response to a walking intervention (Nies et al), 146

Faith communities
The African American experience in the Islamic faith (Ohm), 478
Parish nursing: nurturing body, mind, spirit, and community (Brudenell), 85
Falls, accidental
Assessing risk of falling in older adults (Huang et al), 399
Family care
Busy/dying (Hays), 165 (Editorial)
Cultural and noncultural predictors of health outcomes in Korean daughter and daughter-in-law caregivers (Kim and Lee), 111
Family caregivers' experiences with community services: a qualitative analysis (Winslow), 341
Finnish families' need for special support as evaluated by public health nurses working in maternity and child welfare clinics (Häggman-Laitila and Euramaa), 328
The roles of contemporary Mexican American women in domestic health work (Mendelson), 95
Finland
Definition and identification of child abuse by Finnish public health nurses (Paavilainen and Tarkka), 49
Finnish families' need for special support as evaluated by public health nurses working in maternity and child welfare clinics (Häggman-Laitila and Euramaa), 328
Focus groups
Involving communities in community assessment (Clark et al), 456
Food-related work
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237
Freedom
Facing uncertainties (Graham), 1 (Editorial)

Generalist role
Achieving clarity in evaluation of community/public health nurse generalist competencies through development of a clinical performance evaluation tool (Kaiser and Rudolph), 216
Public health nursing: the generalist in a specialized environment (May et al), 252

Health disparity
State of evaluation: community health workers (Nemcek and Sabatier), 260
Health promotion
Adolescent Health Promotion scale: development and psychometric testing (Chen et al), 104
Community-based senior health promotion program using a collaborative practice model: the Escalante Health Partnerships (Nuñez et al), 25

Health promotion practices of older adults: model testing (Resnick), 2
Parish nursing: nurturing body, mind, spirit, and community (Brudenell), 85
A public health nursing practice model: melding public health principles with the nursing process (Smith and Bazini-Barakat), 42

High school students; see Adolescence

Hispanics
A comparison pilot study of public health field nursing home visitation program interventions for pregnant Hispanic adolescents (Nguyen et al), 412
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190

Historical article
Public health nursing pioneer: Jane Elizabeth Hitchcock 1863–1939 (Hawkins and Watson), 167

Hitchcock, Jane Elizabeth
Public health nursing pioneer: Jane Elizabeth Hitchcock 1863–1939 (Hawkins and Watson), 167

HIV
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281
Aspects of the care of people with HIV/AIDS in South Africa (Uys), 271
HIV prevention outreach in Black communities of three rural north Florida counties (Brown and Brown), 204

Home health care
Client characteristics and the cost of home care in the prospective payment system (Livesay et al), 287
A comparison pilot study of public health field nursing home visitation program interventions for pregnant Hispanic adolescents (Nguyen et al), 412
Displacing the "rule book" in caring for teen mothers (SmithBattle), 369
Does public health nurse home visitation make a difference in the health outcomes of pregnant clients and their offspring? (Fetrick et al), 184
The effectiveness of the around-the-clock in-home care system: did it prevent the institutionalization of frail elderly? (Murashima and Asahara), 13
The experience of being a client in an Alaska public health nursing home visitation program (DeMay), 228
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190

Independence/dependence
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237

Infant
Birth certificate methods in five hospitals (Northam et al), 318
Does public health nurse home visitation make a difference in the health outcomes of pregnant clients and their offspring? (Fetrick et al), 184
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190

Institutionalization
The effectiveness of the around-the-clock in-home care system: did it prevent the institutionalization of frail elderly? (Murashima and Asahara), 13

Instruments
Adolescent Health Promotion scale: development and psychometric testing (Chen et al), 104

Islam
The African American experience in the Islamic faith (Ohm), 478

Japan
The effectiveness of the around-the-clock in-home care system: did it prevent the institutionalization of frail elderly? (Murashima and Asahara), 13

Korea
Cultural and noncultural predictors of health outcomes in Korean daughter and daughter-in-law caregivers (Kim and Lee), 111

Low-income; see Poverty

Medicaid
Administrative characteristics of comprehensive prenatal case management programs (Issel et al), 349

Mental health
Stress and coping in high-risk mothers: difficult life circumstances, psychiatric-mental health symptoms, education, and experiences in their families of origin (LeCuyer-Maus), 132

Mexican Americans
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190
The roles of contemporary Mexican American women in domestic health work (Mendelson), 95

Middle school students; see Child

Models
Application of the Transtheoretical Model of behavior change to the physical activity behavior of WIC mothers (Fahrenwald and Walker), 307
The application of a vulnerable populations conceptual model to rural health (Leight), 440
Community-based senior health promotion program using a collaborative practice model: the Escalante Health Partnerships (Nuñez et al), 25
Health promotion practices of older adults: model testing (Resnick), 2
A public health nursing practice model: melding public health principles with the nursing process (Smith and Bazini-Barakat), 42
The role of an advanced practice public health nurse in bioterrorism preparedness (Mondy et al), 422
Using Roy's adaptation model when caring for a group of young women contemplating quitting smoking (Villareal), 377

Mothers; see Parenting; Women

Nursing competency
Achieving clarity in evaluation of community/public health nurse generalist competencies through development of a clinical perfor-

mance evaluation tool (Kaiser and Rudolph), 216

Nursing homes
The effectiveness of the around-the-clock in-home care system: did it prevent the institutionalization of frail elderly? (Murashima and Asahara), 13

Nursing Outcomes Classification
Validity and community-health-nursing sensitivity of six outcomes for community health nursing with older clients (Head et al), 385

Nursing shortage
Public health nursing credentialing and the "pseudo-shortage" (Cary), 83 (Editorial)

Older adults; see Aged

Outcomes analysis
Cultural and noncultural predictors of health outcomes in Korean daughter and daughter-in-law caregivers (Kim and Lee), 111
Does public health nurse home visitation make a difference in the health outcomes of pregnant clients and their offspring? (Fetrick et al), 184
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190
Validity and community-health-nursing sensitivity of six outcomes for community health nursing with older clients (Head et al), 385

Parenting
Displacing the "rule book" in caring for teen mothers (SmithBattle), 369
The experience of being a client in an Alaska public health nursing home visitation program (DeMay), 228
Finnish families' need for special support as evaluated by public health nurses working in maternity and child welfare clinics (Häggman-Laitila and Euramaa), 328
Stress and coping in high-risk mothers: difficult life circumstances, psychiatric-mental health symptoms, education, and experiences in their families of origin (LeCuyer-Maus), 132

Parish nursing
Parish nursing: nurturing body, mind, spirit, and community (Brudenell), 85

Patient education
Americans' knowledge and perceived risk of tuberculosis (Ailinger et al), 211

Patient satisfaction
The experience of being a client in an Alaska public health nursing home visitation program (DeMay), 228

Performance evaluation
Achieving clarity in evaluation of community/public health nurse generalist competencies through development of a clinical performance evaluation tool (Kaiser and Rudolph), 216

Physical activity; see also Exercise
Application of the Transtheoretical Model of behavior change to the physical activity behavior of WIC mothers (Fahrenwald and Walker), 307

Politics
Facing uncertainties (Graham), 1 (Editorial)

Poverty
Chronic illness: "chronic" boredom (Abrams), 250 (Editorial)
Diet and exercise in low-income culturally diverse middle school students (Frenn and Malin), 361

Pregnancy
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281
Administrative characteristics of comprehensive prenatal case management programs (Issel et al), 349
A comparison pilot study of public health field nursing home visitation program interventions for pregnant Hispanic adolescents (Nguyen et al), 412
Displacing the "rule book" in caring for teen mothers (SmithBattle), 369
Does public health nurse home visitation make a difference in the health outcomes of pregnant clients and their offspring? (Fetrick et al), 184
Factors associated with adolescent pregnancy—a sample of Taiwanese female adolescents (Wang et al), 33
Finnish families' need for special support as evaluated by public health nurses working in maternity and child welfare clinics (Häggman-Laitila and Euramaa), 328

Prenatal care
Administrative characteristics of comprehensive prenatal case management programs (Issel et al), 349

Prospective payment system
Client characteristics and the cost of home care in the prospective payment system (Livesay et al), 287

Public Health Nursing
New editors of Public Health Nursing announced for 2004 (Shamansky and Graham), 249
Twenty years of Public Health Nursing: Part 1. looking back (Shamansky and Graham), 339 (Editorial)
Twenty years of Public Health Nursing: Part 2. looking ahead (Shamansky and Graham), 419 (Editorial)

Public health nursing
Achieving clarity in evaluation of community/public health nurse generalist competencies through development of a clinical performance evaluation tool (Kaiser and Rudolph), 216
Public health nursing: the generalist in a specialized environment (May et al), 252
Public health nursing credentialing and the "pseudo-shortage" (Cary), 83 (Editorial)
A public health nursing practice model: melding public health principles with the nursing process (Smith and Bazini-Barakat), 42

Public health nursing, history
Public health nursing pioneer: Jane Elizabeth Hitchcock 1863–1939 (Hawkins and Watson), 167

Racial factors
State of evaluation: community health workers (Nemcek and Sabatier), 260

Religion
The African American experience in the Islamic faith (Ohm), 478
Parish nursing: nurturing body, mind, spirit, and community (Brudenell), 85

Reminiscence
The effect of reminiscence on the elderly population: a systematic review (Lin et al), 297
Research
Involving communities in community assessment (Clark et al), 456
Risk factors
The application of a vulnerable populations conceptual model to rural health (Leight), 440
Assessing risk of falling in older adults (Huang et al), 399
Rural health
The application of a vulnerable populations conceptual model to rural health (Leight), 440
HIV prevention outreach in Black communities of three rural north Florida counties (Brown and Brown), 204
Keys to the puzzle: recognizing strengths in a rural community (Averill), 449
Public health nursing: the generalist in a specialized environment (May et al), 252

Sexual behavior
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281
Smoking
Arab American adolescent perception and experiences with smoking (Kulwicki and Rice), 177
Comprehensive evaluation of a community coalition: a case study of environmental tobacco smoke reduction (Cramer et al), 464
Using Roy's adaptation model when caring for a group of young women contemplating quitting smoking (Villareal), 377
Societal status
Women's efficiency in decision making and their perception of their status in the family (Erci), 65
South Africa
Aspects of the care of people with HIV/AIDS in South Africa (Uys), 271
Spirituality
The African American experience in the Islamic faith (Ohm), 478
Parish nursing: nurturing body, mind, spirit, and community (Brudenell), 85
Stress
Family caregivers' experiences with community services: a qualitative analysis (Winslow), 341
Stress and coping in high-risk mothers: difficult life circumstances, psychiatric-mental health symptoms, education, and experiences in their families of origin (LeCuyer-Maus), 132
Sweden
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237

Taiwan
Aboriginal nurses' perception of facilitators and barriers for taking a sexual history in Taiwan (Tsai and Hsiung), 281
Adolescent Health Promotion scale: development and psychometric testing (Chen et al), 104
Assessing risk of falling in older adults (Huang et al), 399
The effect of reminiscence on the elderly population: a systematic review (Lin et al), 297
Factors associated with adolescent pregnancy—a sample of Taiwanese female adolescents (Wang et al), 33
Terrorism
The role of an advanced practice public health nurse in bioterrorism preparedness (Mondy et al), 422
Tobacco
Comprehensive evaluation of a community coalition: a case study of environmental tobacco smoke reduction (Cramer et al), 464
Tuberculosis
Americans' knowledge and perceived risk of tuberculosis (Ailinger et al), 211
Turkey
Knowledge and attitudes of high school students about AIDS: a Turkish perspective (Savaser), 71
Women's efficiency in decision making and their perception of their status in the family (Erci), 65

Violence
Definition and identification of child abuse by Finnish public health nurses (Paavilainen and Tarkka), 49
Do we really help? Perspectives of abused women (Lutenbacher et al), 56
Planning of youth violence-prevention programs: development of a guiding measure (Cooper et al), 432
Vulnerability; see Risk factors

Walking
Southern women's response to a walking intervention (Nies et al), 146
Women
Administrative characteristics of comprehensive prenatal case management programs (Issel et al), 349
Application of the Transtheoretical Model of behavior change to the physical activity behavior of WIC mothers (Fahrenwald and Walker), 307
Displacing the "rule book" in caring for teen mothers (SmithBattle), 369
Do we really help? Perspectives of abused women (Lutenbacher et al), 56
Maternal and infant outcomes at one year for a nurse-health advocate home visiting program serving African Americans and Mexican Americans (Norr et al), 190
Older women and exercise: theory of planned behavior beliefs (Conn et al), 153
Older women's perception of independence versus dependence in food-related work (Gustafsson et al), 237
The roles of contemporary Mexican American women in domestic health work (Mendelson), 95
Southern women's response to a walking intervention (Nies et al), 146
Stress and coping in high-risk mothers: difficult life circumstances, psychiatric-mental health symptoms, education, and experiences in their families of origin (LeCuyer-Maus), 132
Using Roy's adaptation model when caring for a group of young women contemplating quitting smoking (Villareal), 377
Women's efficiency in decision making and their perception of their status in the family (Erci), 65

Women, Infants, and Children (WIC) Program
Application of the Transtheoretical Model of behavior change to the physical activity behavior of WIC mothers (Fahrenwald and Walker), 307

Workforce
Public health nursing credentialing and the "pseudo-shortage" (Cary), 83 (Editorial)

Wounds and injuries
Assessing risk of falling in older adults (Huang et al), 399
